

The Picnic in the Woods was attended well by 16 Fives on a sunny day at Cardinham Woods. With picnics and chairs at the ready a social gathering was enjoyed at this popular venue. Richard and Lin planned a superb scenic drive for us all before arriving at our final destination. Driving along narrow lanes through Warleggan - (Poldark country) onto Dartmoor where we enjoyed the wildlife on the roads causing amusing chaos. Colliford Dam was our first stop, to admire the view then onto Sibbyback Lake for a pitstop. Many were impressed by the sporting activities on display. The experts make it all look so easy!

Continuing on with more scenic roads we arrived at The Smugglers, Talland Bay for a BBQ supper. Sadly, the tide was in, so no beach games this time. A Very enjoyable day.... Thank you Lin & Richard
