

CHOCOLATE RUN

The freezing Cornish weather didn't spoil Lizzie, Mervyn and Freda's inaugural run. Twenty cars met up at Swanpool beach, Falmouth for coffee before heading off towards Mawnan Smith and

Gweek. Being hardy souls the drivers of about half of the cars had the tops down despite temperatures averaging four degrees Celsius! Freda led the way passing coastline, Cornish lanes

and beautiful scenery to arrive at the Chocolate Factory in Mullion for a light lunch. This was a new destination for the Cornish Fives and somewhere to visit again. The owners have put us on YouTube <http://t.co/xSZV794syx?forumid=163967> . The film doesn't show boots loaded with the chocolate and Easter eggs members drove away with! The afternoon run took us to An-

Lysardh (the Lizard) where we enjoyed superb views of the Cornish coast. Some members stayed in the café ,a while, chatting before making our way home. Everyone enjoyed the run and a big thank you to Lizzie, Mervyn and Freda and looking forward to your next run.
